Video Instructions:

Card #1 which is the **Z-Fold card** has a video which you can watch over and over. To find this video go to my blog: www.thestampcamp.com/blog/

In the right hand side bar scroll down until you see the picture of the Truly Grateful cards; click on the picture and it will bring you to the post regarding the Stamp Set of the Month and the video for Card #1.

You may want to watch this video as this is how you will color the Wheat Image for **ALL of the cards** you will make in this kit.

Card #1

1. Score the piece of Chocolate Chip card stock (4 ¼" X 11") at 2 ¾" and at 5 ½". Fold on the 5 ½" score line (like a card) then fold the 2 ¾" score line back to the fold side. (This is all done in the video, so if you need a visual check out the video)
2. Attach the Sweater Weather Designer Series Paper (2 ½" X 4") to the front folded panel and the other piece to the piece of Naturals Ivory card stock (4" X 5 ¼"). Attach the Naturals Ivory card stock to the inside of your card.
3. On the Naturals Ivory Labels Collection Framelit (I have already cut for you) stamp the Wheat Image using your Chocolate Chip ink.
4. Take your blender pen and blend the ink around the wheat image where you would like it a light brown color. (See the video for the coloring of this wheat image. You will color the wheat image and the acorn image for all the cards using this same method.)
5. Using the ink from the lid of the ink pads finish coloring your wheat image using your blender pen and the Crushed Curry ink and the Tangerine Tango ink.
6. Attach this to the Tangerine Tango Labels Collection Framelit. Attach your Framelits to the front of your card as shown **ONLY** putting adhesive on the left half side of the Framelit.
7. On the Naturals Ivory strip (1/2" X 2 ¾") stamp the Truly Grateful image using Chocolate Chip ink. On one end cut up the center and then cut from each side to the center creating a flag.
8. Attach this to the Chocolate Chip strip (3/8" X 2 7/8") cut a flag on one end using the same method as above.
9. Attach a dimensional to the straight edge and adhesive to the flag end and attach to your card front as shown.
10. On the straight edge attach a Tangerine Tango Candy Dot.
11. On the inside Naturals Ivory card stock stamp the Acorn image using the Chocolate Chip ink and blend the top of the Acorn with the Blender Pen. Color in the bottom half of the Acorn using the Blender Pen and the ink from the lid of your Tangerine Tango ink pad.
