## Measurements:

- Card Base: Smoky Slate 11 x 4¼ score at 5½
- Cardstock #2: Two of Very Vanilla 5-3/8 x 4-1/8 (one for the inside)
- Cardstock #3: Basic Gray 5-1/8 x 3-7/8
- Cardstock #4: Cloud Border 1½ x 3-7/8 One in Vanilla and TWO in Smoky Slate

## Instructions:

1. On to the Basic Gray layer, stamp the rain streaks using Versamark ink.
2. Heat emboss with clear embossing powder.
3. Stamp the greeting over the rain on the right-hand side and heat emboss with white embossing powder.
4. Using the 1¾ circle die, die-cut the greeting.

5. Out of one of the very vanilla layers, die-cut 2" circle
6. Die-cut the cloud border out of the Very Vanilla and the two Smoky Slate strips.
7. On all three cloud strips, stamp both size clouds randomly using Smoky Slate ink.
8. Adhere all strips to the Basic Gray layer.
9. Adhere the Very Vanilla circle on top of the opening where the cut out of the greeting and then layer the circle greeting on top of the very vanilla circle.
10. Adhere to the Very Vanilla layer the one with the circle cut out.
11. Wrap the silver trim at the top three times.
12. With another piece of silver trim, tie a bow around all three strings on the left-hand side.
13. Adhere to the Smoky Slate card base.
14. The second Very Vanilla layer stamp one large and one small cloud using Smoky Slate. (leaving a distance between each cloud)
15. Stamp the rays in between the two clouds, 2<sup>nd</sup> generation in Smoky Slate. (2<sup>nd</sup> generation stamped off first then stamp on to your cardstock)
16. Using a blending brush, brush lightly daffodil delight in the opening of the clouds and Balmy Blue at the top and lightly below the clouds.
17. Stamp the greeting using Balmy Blue ink.
18. The birds stamped in Smoky Slate ink.
19. Adhere the epoxy silver raindrops randomly to the card front.
