EASTER BLESSINGS CARD

4-1/4" x 5-1/2" (10.8 x 14 cm)

1. Before you start stamping, cut the following paper pieces:
 - 8-1/2" x 5-1/2" (21.6 x 14 cm) from Pool Party Cardstock
 - 3-1/2" x 5" (8.9 x 12.7 cm) from Pool Party Cardstock
 - 2-1/2" x 4" (6.4 x 10.2 cm) from Basic White Cardstock
 - 2" x 3/4" (5.1 x 1.9 cm) from Basic White Cardstock
2. On the center of the 2-1/2" x 4" (6.4 x 10.2 cm) Basic White piece, stamp the single daffodil image from the Daffodil Daydream Stamp Set in Tuxedo Black Memento ink. Repeat this step, stamping onto a sticky note. This will be the mask you use to try the masking technique!
3. From the Daffodil Dies, pick the die that coordinates with the single daffodil image. Align the die with the daffodil stamped on the sticky note and run it through a Stampin' Cut & Emboss Machine to cut. (Either of our machines will work.)
4. Stick the die-cut daffodil on top of the daffodil stamped on Basic White Cardstock. Using a Blending Brush, gently apply Daffodil Delight ink in a circular motion over and around the daffodil. When done, remove the sticky note from the daffodil.
5. With Calypso Coral ink, stamp the set's "Easter Blessings" sentiment onto the 2" x 3/4" (5.1 x 1.9 cm) Basic White piece. Create the card base by folding the 8-1/2" x 5-1/2" (21.6 x 14 cm) Pool Party piece in half and scoring at 4-1/4" (10.8 cm), then use Stampin' Dimensionals® to adhere the 3-1/2" x 5" (8.9 x 12.7 cm) Pool Party piece to the center of the card base. Adhere the remaining pieces to the card front, then embellish with a few Brushed Brass Butterflies!

 - 5-1/2" x 8-1/2" (14 x 21.6 cm) from Calypso Coral Cardstock
 - 3" x 3-1/2" (7.6 x 8.9 cm) from Calypso Coral Cardstock
 - 3" x 3" (7.6 x 7.6 cm) from Basic White Cardstock

4. Once cut, place each die-cut butterfly over parts of the stamped sentiment. Using a Blending Brush, gently apply Daffodil Delight ink in a circular motion over and around the sentiment. When done, remove the butterfly sticky notes to reveal white butterfly shapes!
5. Create the card base by folding the 5-1/2" x 8-1/2" (14 x 21.6 cm) Calypso Coral piece in half and scoring at 4-1/4" (10.8 cm). Stamp the set's butterfly stamp in Calypso Coral ink a few times onto each corner of the card base, then add a few Brushed Brass Butterflies.
6. Rip the top and bottom of the Basic White piece upwards to create a unique textured look, then adhere to the center of the 3" x 3-1/2" (7.6 x 8.9 cm) Calypso Coral piece. To complete the card, use Stampin' Dimensionals to adhere the 3" x 3-1/2" (7.6 x 8.9 cm) Calypso Coral piece to the center of the card base!
