- Festive Foils paper: 3-7/8" x 5-1/8"
- Gingham Cottage paper: 2" x 3-7/8"

Instructions:

1. Fold the Garden Green cardstock in half at the score line to create your card base.
2. Adhere one of the 4" x 5-1/4" pieces of Basic White inside of the card base. Adhere a second piece of the 4" x 5-1/4" pieces of Basic White on the outside of the card base.
3. Adhere the Festive Foils paper onto the Basic White mat on the outside of the card base.
4. Using the 2" x 4-1/4" piece of Garden Green cardstock, cut out 2 of the border dies using the Delicate Edges Dies. Adhere to the Gingham Cottage Paper and adhere to card base.
5. Using the final piece of 4" x 5-1/4" Basic White cardstock, stamp the mitten 2 times using the Real Red ink pad and stamp the "be jolly" sentiment using the same ink pad. Run the cardstock through the Cut & Emboss Machine and using the Celebration Tags dies that come in the Bundle, cut out both mittens, the sentiment tag, the circle and the snowflake.
6. Cut a "flag notch" at the bottom of the 1-3/4" x 4" piece of Garden Green cardstock with your scissors and adhere to the top of the Gingham Cottage Paper.
7. Adhere the snowflake to the circle using adhesive and adhere to Garden Green tag. Tie a bow using the Linen Thread and adhere to the center of the snowflake. Adhere the 2 mittens below the snowflake and the sentiment tag to the right of the snowflake using Stampin' Dimensionals.
8. Add 2 of the White Classic Matte Dots just below the sentiment to finish.
