Lightly tap the pen/brush against your finger over the Party Banner to make the splatters. I used rubbing alcohol, but you could use water or the liquid from your Wink of Stella pen.

8. Stamp the medium mushroom top with Bubble Bath, Calupso Coral, Balmy Blue and Highland Heather. Punch out with the coordinating punch.

10. Add adhesive to just the very top backside of the stems and adhere to the mushroom tops.
11. The larger mushroom is adhered with Stampin' Dimensionals and the smaller one is adhered flat.
